

Specialized business advice

Different areas of specialization as well as our wide range of experience are at your disposal.

The further development of a company is based on the analysis of the status quo (identification of strengths and weaknesses) in order to develop potential for business improvement. We would like to give you support in corporate consultancy.

Our services in detail

- Business start-up advice
- Company analysis and business planning (including liquidity planning)
- Advising companies in crisis, including preparing reorganization concepts
- Investment calculation
- Financing advice that include discussions with banks
- Advice on cost and performance accounting (managing)
